

## The Council

The EISCAT Council is the governing body of EISCAT Scientific Association and has an overall responsibility for the activities of the Association. The Council and the Association is governed by a set of rules included in the EISCAT [BlueBook](#).

[Annual reports](#), [Council short reports](#) and other documents can be found under [documents](#), where you can find a document search.

The Council consists of a Delegation of each Associate with a maximum of three persons from each Associate. A Delegation consists of a Delegate and Representatives.

Chairperson and deputy for the period 2017-2018: **Prof. Miyaoka** (chair) and **Prof. Mann** (deputy).
