

EISCAT Publications

Accumulated list of all known publications. Generally the papers listed should have appeared in adequately refereed publications and be relevant to EISCAT, either through inclusion of an acknowledgement to EISCAT or through obvious appropriate content. Theoretical papers can also be included, even if they do not mention EISCAT, if the work reported arises directly from EISCAT research.

1980	[1982] [1983] [1984] [1985] [1986] [1987] [1988] [1989]
1990	[1990] [1991] [1992] [1993] [1994] [1995] [1996] [1997] [1998] [1999]
2000	[2000] [2001] [2002] [2003] [2004] [2005] [2006] [2007] [2008] [2009]
2010	[2010] [2011] [2012] [2013] [2014] [2015] [2016] [2017]

Heating Publications

This list contains mostly papers in refereed journals with results from the Tromsø Heating facility, but includes theses, proceedings and reports. Papers marked with * are essentially theoretical papers which are directly associated with Tromsø heating experimental results.

1970	[1976] [1977] [1978] [1979]
1980	[1980] [1981] [1982] [1983] [1984] [1985] [1986] [1987] [1988] [1989]
1990	[1990] [1991] [1992] [1993] [1994] [1995] [1996] [1997] [1998] [1999]
2000	[2000] [2001] [2002] [2003] [2004] [2005] [2006] [2007] [2008] [2009]
2010	[2010] [2011] [2012] [2013] [2014] [2015] [2016] [2017]

Please send [Mike Rietveld](#) details of any missing, duplicate or incomplete entries. It would help a lot if you send entries in the same style as those already in the listings.
