New and improved EISCAT Certification stamp

Here is a new and improved *Certification* stamp.

We kindly ask you to in the future, when certifying invoices, to add also information to which account(s) the items in the invoice refers to. We have also added a second "passed for payment" line for those payments exceeding 50 kSEK.

Please throw away all old stamps and only use this new one!

Certification				
I certify that this charge should be paid by EISCAT
